Section 3: RIDOT and RIPTA Project Tables

STIP Project Tables

The Project Tables section includes all of the projects in the FFY 2022-2031 State Transportation Improvement Program (STIP). The project listings are grouped according to agency administering funding, which is either the Rhode Island Department of Transportation (RIDOT) or the Rhode Island Public Transit Authority (RIPTA). The projects are further grouped according to STIP Program, i.e. Bridge Program, Pavement Program, Active Transportation Program, etc.

Each project listing contains a unique STIP ID number and project name. The project listing also contains responsible agency, total project cost, cost by federal fiscal year, phase of work (design, construction, other), funding sources, the municipalities in which the project is located, and project tracking system ID (PTSID) if available. For line items which support the construction of physical assets, the type, ID, and name of each asset is listed, along with the facility is carries, its municipality, and the treatment it requires. Costs are shown in millions of dollars and are rounded to the nearest hundredth with three decimal places (0.000). Also included is a brief project description and the project's vulnerability to sea level rise (yes or no).

Note that all projects within the formal first four years of the STIP (FFY 2022–2025) are within the constrained program for which funding sources are reasonably expected to be available. In addition, the state has developed a 10-year (FFY 2022-2031) programming horizon for projects in order to provide more realistic expectations and timeframes in which to expect advancement of STIP projects. Many projects that have phases within the first four years (FFY 2022–2025) also have phases (such as Construction) that may be planned for the Outyears between FFY 2026 and 2031. This 10-year programming horizon is illustrated in the FFY 2022-2031 STIP Project Tables.

STIP Online Mapping Application

In addition to the STIP Project Tables, the STIP's program of capital projects can be viewed on the online Rhode Island STIP Mapping Application. The mapping application displays the location of all mappable STIP projects. Different project types, such as intersection improvements, bridge replacements, or new bicycle facilities, are shown by using various colors and symbols in the STIP Mapping Applications. Certain types of projects, such as roadway landscaping, lease payments for the use of railroad tracks, reserve line items, or statewide line items, are not mapped.

The STIP Mapping Application contains a "search by address or location" function that can zoom down to a specific address or up to the municipal level for a listing of projects within that municipality.

RIDOT Bridge Program

STIP ID: 3179 PTS ID: 2603C Project Name: Bridge Group 13D -- Route 146 C-3

Municipality	Description	Responsible Agency
Lincoln, North Providence, Providence	This project includes total replacement of the Wanskuck (#042801) and Admiral Street (#043001) bridges. Major rehab of the Cobble Hill Road Bridge (#041801) was previously included in Bridge Group 47C. At the merge of RI-146S and I-95S, a new collector-distributor road will be constructed linking traffic from RI-146S and I-95S directly to the US-6/RI-10 off-ramp, eliminating a conflicting weave that generates frequent congestion.	RIDOT

RIDOT Major Capital Projects Program

STIP ID: 3153 PTS ID: 0018B Project Name: Bridge Group 75T 5B (I)--Providence Viaduct Northbound

Municipality	Description	Responsible Agency
Providence	This project will replace the 1,295-foot long northbound section of the Providence Viaduct Bridge which carries I-95 over numerous local roads and highway ramps, Amtrak's Northeast Corridor and the Woonasquatucket River. Construction of a new collector-distributor (C-D) road along the right side of the Interstate will eliminate the weaving conflicts and congestion that plague the segment of I-95 Northbound from the 6/10 Connector and Downtown on-ramps to the Route 146/State Offices interchange. Ramps will also be reconfigured to disentangle conflicting movements, improving motorist safety.	RIDOT

RIDOT Major Capital Projects Program

STIP ID: 3350 PTS ID: 0048I Project Name: Bridge Group 95 -- I-95 / RI-4 Missing Move

Municipality	Description	Responsible Agency
Warwick	This line item will support design and development of a potential future project to address the missing moves between RI-4 and I-95 and construct three deferred ramps linking US-1 and West Davisville Rd to RI-403. The funding for this line item includes a BUILD grant awarded in 2020 to plan the project, and funding to support construction if the project receives INFRA Grant support. RIDOT and QDC requested $60M from the INFRA program in 2021.	RIDOT

RIDOT Major Capital Projects Program

STIP ID: 9998 PTS ID: 2604Y Project Name: Corridor - Central Warwick

Municipality	Description	Responsible Agency
Warwick	This project includes major rehabilitation work of bridges #682 and replacement of bridge #720, which carry RI-113 over I-295 and I-95. This project will also resurface RI-113 and improve sidewalks and ADA ramps between RI-5 Greenwich Ave and RI-2 Bald Hill Rd. Improvements to turn lanes and signals at the Knight Campus intersection will also be incorporated into this corridor.	RIDOT

RIDOT Pavement Program

STIP ID: 1351 PTS ID: 2606H Project Name: Little Compton Commons Repaving - Meeting House Ln. (RI-77 to Commons), S Commons Rd. (Bro

Municipality	Description	Responsible Agency
Little Compton	This line item involves reclaim and mill and overlay of roads surrounding the Little Compton Commons, including Meeting House Lane, South Commons Road, Simmons Road, and East Main Road. Improvements to pedestrian access, stormwater drainage, and traffic safety may be included. This project includes elements of TIPID 1352 and 1354, which were bundled into this project in Amendment 6. This project will be coordinated with TIPID 1402 and 1404.	RIDOT

RIDOT Pavement Program

STIP ID: 1380 PTS ID: TBD Project Name: RI-138, East Main Rd (Hedley St. to Aquidneck Ave.)

Municipality	Description	Responsible Agency
Middletown, Portsmouth	This line item involves resurfacing of the roadway. This project includes the section of East Main Road between Aquidneck Avenue and the Portsmouth/Middletown line previously under TIPID 1357. This project also includes signal and turn lane improvements at the intersection of East Main Road and McCorrie Lane. Additional improvements to traffic safety and stormwater drainage may be included as part of this project. This project is being coordinated with TIPID 1379.	RIDOT

RIDOT Pavement Program

STIP ID: 9536 PTS ID: 2604X Project Name: RI-117, Centerville Road (Quaker Lane to I-95 Southbound Ramp) and Hoxsie 4 Corners

Municipality	Description	Responsible Agency
Warwick	This project involves full-depth reconstruction of the roadway, partial sidewalk replacement, and wheelchair ramp improvements along RI-117 Centerville Road between Quaker Lane and the I-95 Southbound ramps. The project also includes a section of West Shore Road from RI-117A to Delwood Road and the replacement of the Airport Road Culvert. This project may include additional improvements to traffic and pedestrian safety alongside stormwater drainage improvements. This project received a $1,000,000 USDOT earmark in 2022.	RIDOT
