

**DRAFT (Proposed) 2020/21 Project Priority List  
Municipal Road and Bridge Revolving Fund**

The Rhode Island Department of Transportation (RIDOT) received one (1) project application and infrastructure plan, totaling \$2.0 million in requested funds, from one (1) community as part of the 2020/21 Municipal Road and Bridge Revolving Fund program. As required by regulation, a panel of staff from RIDOT, the Commerce Corporation, and the Division of Statewide Planning was convened to evaluate and rank the projects based on the evaluation criteria established in statute and regulation:

- The extent to which the project generates economic benefits.
- The extent to which the project would be able to proceed at an earlier date.
- The likelihood that the project would provide mobility benefits.
- The cost effectiveness of the project.
- The likelihood that the project would increase safety.
- The project's readiness to proceed within the forthcoming calendar year.
- Any other criteria related to project readiness, resilience, severe weather events, inclusion in the Transportation Improvement Program, or other asset management risks and concerns related to transportation infrastructure.

The proposed Project Priority List (PPL) was developed using a scoring system, which was applied to projects by a consensus of panel members.

There will be a public hearing concerning the PPL list on Friday, April 17, 2020, at 10:00 a.m. online through the Zoom platform at the following link: <https://zoom.us/j/543308833> .

The purpose of this public hearing will be to take testimony regarding the project on the PPL. Written testimony may also be submitted to:

Lori Cassin, Office Manager  
Division of Planning  
Rhode Island Department of Transportation  
2 Capitol Hill, Room 300  
Providence, RI 02903

Testimony must be received no later than close of business (4:00 pm) on Friday, April 17, 2020, in order to be considered.

Following the close of the public comment period, the panel will reconvene to review any information and testimony received and will finalize the 2020/2021 PPL and provide the list to the Rhode Island Infrastructure Bank and Statewide Planning.

*Placement of a project on the proposed or final project priority list does not guarantee that funding from the Municipal Road and Bridge Revolving Fund will be received. The Rhode Island Infrastructure Bank will award funding pursuant to statute and its promulgated regulations.*
