Pursuant to the U.S. Department of Transportation (USDOT), regulations contained in 49 Code of Federal Regulations, Part 26, all State Transportation Agencies receiving USDOT financial assistance must establish an Annual Overall DBE Goal that determines the percentage of their program dollars to be awarded to DBEs. This action is deemed necessary in order to provide DBEs a nondiscriminatory opportunity to participate in the performance of contracts and subcontracts financed in whole or part with federal funds. The Rhode Island Department of Transportation (RIDOT) is a recipient of USDOT financial assistance and hereby establishes the following overall goal in accordance with the USDOT regulations.

FHWA – Annual Overall DBE Goal of 11.89%
