

Materials Lab No: _____ (Lab use only)

**RHODE ISLAND DEPARTMENT OF TRANSPORTATION
MATERIALS AND QUALITY ASSURANCE
CORE REQUEST FORM**

***Not for Final Cores**

RI Contract No: _____ F.A.P. No: _____
Project Name: _____ Date: _____
Project Limits: _____ Project Town/City: _____

I. Project Details

i. Type of cores HMA Concrete
ii. Project Length: _____ miles
iii. Number of Travel Lanes: _____ iv. Lane Width: _____ feet
v. Include Shoulders: Yes No vi. Shoulder Width: _____ feet
vii. Location of cores Marked Plans Random Method

II. Explanation

i. Reason for Request: (Please Check)
Prelim. Eng. Density Forensic Other

Describe: _____

ii. Indicate Pavement Structure:
Explain pavement structure, if known, and indicate layer(s) to be tested.

iii. Indicate Quantity and Size of Cores: Number: _____ Diameter: _____
(Cores are 4" unless otherwise specified)

iv. Instructions or Special Notes:
Explain testing/analysis to be performed (i.e. bulk specific gravity, pictures, gravel analysis, etc.)

III. Sample Disposition

i. After Testing: Keep Samples Dispose of Samples
Results Issued/Returned To: _____

Requested By _____ (Print / Sign) Section _____ Date _____

Reviewed By _____ (Print / Sign) Date _____
(Materials Engineer)
