APPLICATION FOR UTILITY PERMIT

Date: _____

The undersigned requests permission to _____

Location _____

City or town _____

For the Purpose of _____

(SEE REVERSE SIDE OF PERMIT FOR ADDITIONAL CONDITIONS)

NOTE I: The undersigned agrees to comply with all conditions stated on the face, reverse side, if granted, and furthermore to pay any and all cost issuance of said permit, if granted. All work performed under the permit shall be in accordance with the Rhode Island Department of Transportation Standard Specifications for Road and Bridge Construction, 2004 Edition and the Rhode Island Standards.

NOTE II: Accompanying this application shall be two **(2) sets of plans** in triplicate, one set will show all work contemplated and the other will be a traffic control plan. The proposed work plan shall show specific locations and dimensions so they can be easily located and investigated. The traffic control plan shall be in accordance with the most recent edition of the Manual on Uniform Traffic Control Devices.

NOTE III: Upon affixing signature to this application, the applicant agrees, as a condition governing the issuance of permit, that the Department of Transportation, the Director, his agents and employees be held harmless from any and all claims and actions whatsoever arising from the exercising of said permit.

NOTE IV: If the applicant is not the owner of the utility line, this application shall be countersigned by the owner (Utility Company or the city/town who owns the line) to confirm the following:

1. The utility company is aware of and authorizes the contractor to work on their utility.
2. It insures the Department that the utility company will own that utility connection upon completion. That is, if the connection fails at some time in the future, the utility company will be responsible for the work to repair their facility.
3. Notwithstanding anything contained to the contrary in this Agreement, the utility company is not responsible for any work done by the contractor in connection with this service, in addition, the utility company is not responsible for the repair, replacement or maintenance of the road excavation.
