

# 6/10 TRAFFIC CHANGES

## LANE SHIFTS AND RAMP CHANGES START NOVEMBER 10

Construction to replace the 6-10 Interchange will start on **November 10**. Motorists will notice several significant traffic pattern changes, and some minor ones. Every effort will be made to minimize inconvenience and keep traffic moving but there will be some delays. Please look at the changes below and plan your travel accordingly. RIDOT thanks all Rhode Island drivers for their patience. We are replacing seven structurally deficient bridges to keep you safe. Thank you.

- Closure of the Broadway off-ramp on or about **November 10**.
- Opening of a temporary alignment on 10 NB with a temporary off-ramp to Westminster Street on or about **November 10**.
- Traffic on 6 WB shifts to the right, on or about **November 11**.
- A traffic shift on Broadway and reduction of one EB lane on the Westminster Bridge on or about the weekend of **November 11/12**.
- A shift of traffic on 6 EB to the 6 WB alignment in late **November**.
