Mr. Peter Alviti Jr., PE  
Director  
Rhode Island Department of Transportation  
Two Capitol Hill  
Providence, R.I. 02903

**RE: RIDOT FY2022 MPDG Application  
Completing the I-95 Missing Move and Ramps to Quonset Business Park**

Dear Director Alviti:

This letter will serve to demonstrate our full support for the subject \$81-million grant program application, and for its intent to remove freight traffic from local roads, and to construct the deferred Route 403 ramps to the West Davisville district of the Quonset Business Park in North Kingstown.

We consider this project important to complete a direct link between Route 4 and Interstate 95, thereby facilitating connections to the Business Park, one of the State's largest employers.

Additionally, we support the economic opportunity afforded by this project, as well as the resulting construction jobs.

We look forward to working with RIDOT in advancing this vital north-south transportation link.

Should you have any questions please do not hesitate to contact me.

Very truly yours,

COMMONWEALTH ENGINEERS & CONSULTANTS, INC.
