

Rhode Island Department of Transportation

ANNUAL DIVISIBLE LOAD PERMIT RESTRICTION LIST 4 AXLE SINGLE UNIT TRUCKS

The following restrictions apply to the single unit vehicles described in RI General Law (RIGL) 31-25-21. For any single unit vehicle with the number of axles listed here, the following bridges are restricted from crossing due to vehicle weight. The bridge tonnage values below are the maximum tonnage permitted. These restrictions are continuously updated and must be printed and kept in the vehicle associated with the permit as part of the annual permit issued by RIDOT. In case of conflict, posted weight limits at a bridge shall govern over these restrictions.

Rhode Island Department of Transportation

ANNUAL DIVISIBLE LOAD PERMIT RESTRICTION LIST 4 AXLE SINGLE UNIT TRUCKS

The following restrictions apply to the single unit vehicles described in RI General Law (RIGL) 31-25-21. For any single unit vehicle with the number of axles listed here, the following bridges are restricted from crossing due to vehicle weight. The bridge tonnage values below are the maximum tonnage permitted. These restrictions are continuously updated and must be printed and kept in the vehicle associated with the permit as part of the annual permit issued by RIDOT. In case of conflict, posted weight limits at a bridge shall govern over these restrictions.
