8. Read the statement and then click “Submit.” Your username is your first name.last name. The password is whatever you set when you created your account.

The form is titled "Attestation for Certification" and features a blue padlock icon at the top. It contains a statement of understanding about receiving credit for the class. Below the statement are two input fields: "Username" (containing "test|") and "Password" (containing "*****"). Both fields are marked as "Required". A large blue arrow points from the password field down to a blue "Submit" button.

Attestation for Certification

I understand that I am the only person who can receive credit for this class and I cannot take this class for another person. I attest that all information I have provided is true and accurate, and that I have read, understand, and will comply with all information and requirements provided in this class under penalty of law including fines and permanent revocation of permit privileges.

9. Scroll to the bottom of the page to access and download your certificate. Please note that you must be on the “Overview” tab of the course to access the certificate. Download, Print, and Save your Certificate for Record. *This is the only time you can print and save your certificate.

The top right of the page shows a "Course Complete" notification with a checkmark icon, stating "You have completed 100% of this course." and "Status Completed" with a "View" button. At the bottom, the "Overview" tab is selected, showing an "Expiry Date" of "February 22, 2027 9:00 A" and an "Outcomes" section with a "Rhode Island... Certificate" link and a download icon. A large blue arrow points from the "Certificate" link up towards the "Submit" button from the previous step.
