## MEMO:

**To:** All Construction Contractors

**From:** Lori Fiset, Administrator of Project Management (Acting) *LF*

**Subject:** RIDOT Specifications Section 206-212 Erosion Sediment Control - Training

**Date:** August 5, 2020

Please be advised that revisions to Specifications Section 206-212 now indicates that erosion and pollution controls shall be routinely **inspected** and maintained by the Contractor's certified inspector, at the Contractor's own expense (in accordance with the SWPPP and SESC Plan & 212.03 Construction Methods).

A Certified Inspector (see 212.03.2a) is required and can be a Certified Professional in Erosion and Sediment Control (CPESC), a Certified Professional in Stormwater Quality (CPSWQ) or a RI Registered Professional (if competency is equal to CPESC or CPSWQ).

The following companies offer online training to become a certified (in compliance with Covid 19):

**American Stormwater Institute:**

- Qualified Construction Stormwater Inspector (QCSI) - 1 day \$350 online
- <https://americanstormwaterinstitute.com/classes-offered/construction-stormwater-inspector-online-course/>

**National Stormwater Center:**

- Certified Stormwater Inspector Construction Permit - 1 day \$424 online
- <https://npdes.com/class-descriptions/certified-stormwater-inspector-construction-permit>

**StormwaterONE:**

- Qualified Compliance Inspector of Stormwater (QCIS) <https://stormwaterone.com/program/rhode-island/CI213>

Contractors will need to provide a list of trained/qualified contractors to [Heather.Hamilton@dot.ri.gov](mailto:Heather.Hamilton@dot.ri.gov).

To support this effort, RIDOT has developed a brief tutorial about the new specifications and a 1 hour Introduction to Stormwater training.

Go to: <https://rilearningcenter.myabsorb.com?KeyName-RIDOTVendor> to create an account and gain access to various courses.

Please contact Kathleen Sisson at [Kathleen.L.Sisson@dot.ri.gov](mailto:Kathleen.L.Sisson@dot.ri.gov) if you have any questions or need assistance.
