

Materials Lab No: _____ (Lab use only)

**RHODE ISLAND DEPARTMENT OF TRANSPORTATION
MATERIALS MANAGEMENT
CORE REQUEST FORM**

RI Contract No: _____ F.A.P. No: _____ PTSID: _____

Project Name: _____ Date: _____

Project Limits: _____ Project Town/City: _____

I. Project Details

i. Type of cores: HMA Concrete

ii. Project Length: _____ miles

iii. Number of Travel Lanes: _____ iv. Lane Width: _____ feet

v. Include Shoulders: Yes No vi. Shoulder Width: _____ feet

vii. Location of cores: Marked Plans Random Method

viii. Initial Rideability Required? Yes No

II. Explanation

i. Reason for Request: (Please Check)
Prelim. Eng. Density Final Other

Describe: _____

ii. Indicate Pavement Structure:
Explain pavement structure, if known, and indicate layer(s) to be tested.

iii. Indicate Quantity and Size of Cores: Number: _____ Diameter: _____
(Cores are 4" unless otherwise specified)

iv. Instructions or Special Notes:
Explain testing/analysis to be performed (i.e. bulk specific gravity, pictures, gravel analysis, etc.)

III. Sample Disposition

i. After Testing: Keep Samples Dispose of Samples

Results Issued/Returned To:

Are there known environmental hazards on or near the project site? Yes No
If yes, please identify the nature of the hazards on a separate sheet. Please provide a health and safety plan for working in the area, if available.

NOTE: Under no circumstances will a core request be processed unless this information is provided. With this information, it will be determined whether Materials personnel can safely collect and test samples.
